ACCOUNT NO. 23-0975.

Sir:

The Office Action mailed September 13, 2007 includes Examiner-initialed PTO-1449 forms, one of which is from Applicant's IDS of July 25, 2007, wherein the Examiner has crossed out U.S. Application Serial No. 10/553,006. Based on a telephone discussion (voicemail) with the Examiner on September 25, 2007, it is the understanding of Applicant's attorney that the application was crossed out because it had not yet been published. The Examiner suggested that when the '006 application is published, it could be resubmitted for consideration. The application was published on September 14, 2006, and the published application is now cited on the attached PTO-1449 form. The Examiner is kindly requested to initial this reference on the form, and then return a copy of the initialed form to Applicant's attorney.

Respectfully submitted,

Hayahide YAMASAKI
